Forecast For Wales
Issued by Met Office Exeter
at 1600 on Friday 27 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Mostly dry and fine, early fog patches possible, cool overnight.

This Evening and Tonight:
Sunny spells continuing this evening, with any clouds clearing to leave a clear sky overnight. A few fog patches may form where it turns chilly under any clearer skies by dawn. Minimum temperature 8 deg C (46 deg F).

Saturday:
Any fog quickly clearing, leaving a sunny start, however some patchy clouds will develop through the afternoon but clearing again into the evening. Feeling warm in the sunshine. Maximum temperature 23 deg C (73 deg F).

Outlook for Sunday to Tuesday:
Dry and fine with sunny spells on Sunday. Early fog patches clearing through the morning on Monday. Remaining dry but cloudier on Tuesday.
